Letters to Grandma Mikula

The background of the entire slide is a bright blue sky filled with soft, white, fluffy clouds. The clouds are scattered across the sky, with some larger ones near the top and bottom edges, and smaller ones in the middle. The overall effect is a clean, airy, and positive atmosphere.

Dear Grandma,

- Grandma, you are my role model, my inspiration.
- You are the person who has taught me to live each day with love in my heart and kindness in my actions; to judge a person not by their profession or the money they make, but by their honesty and character.

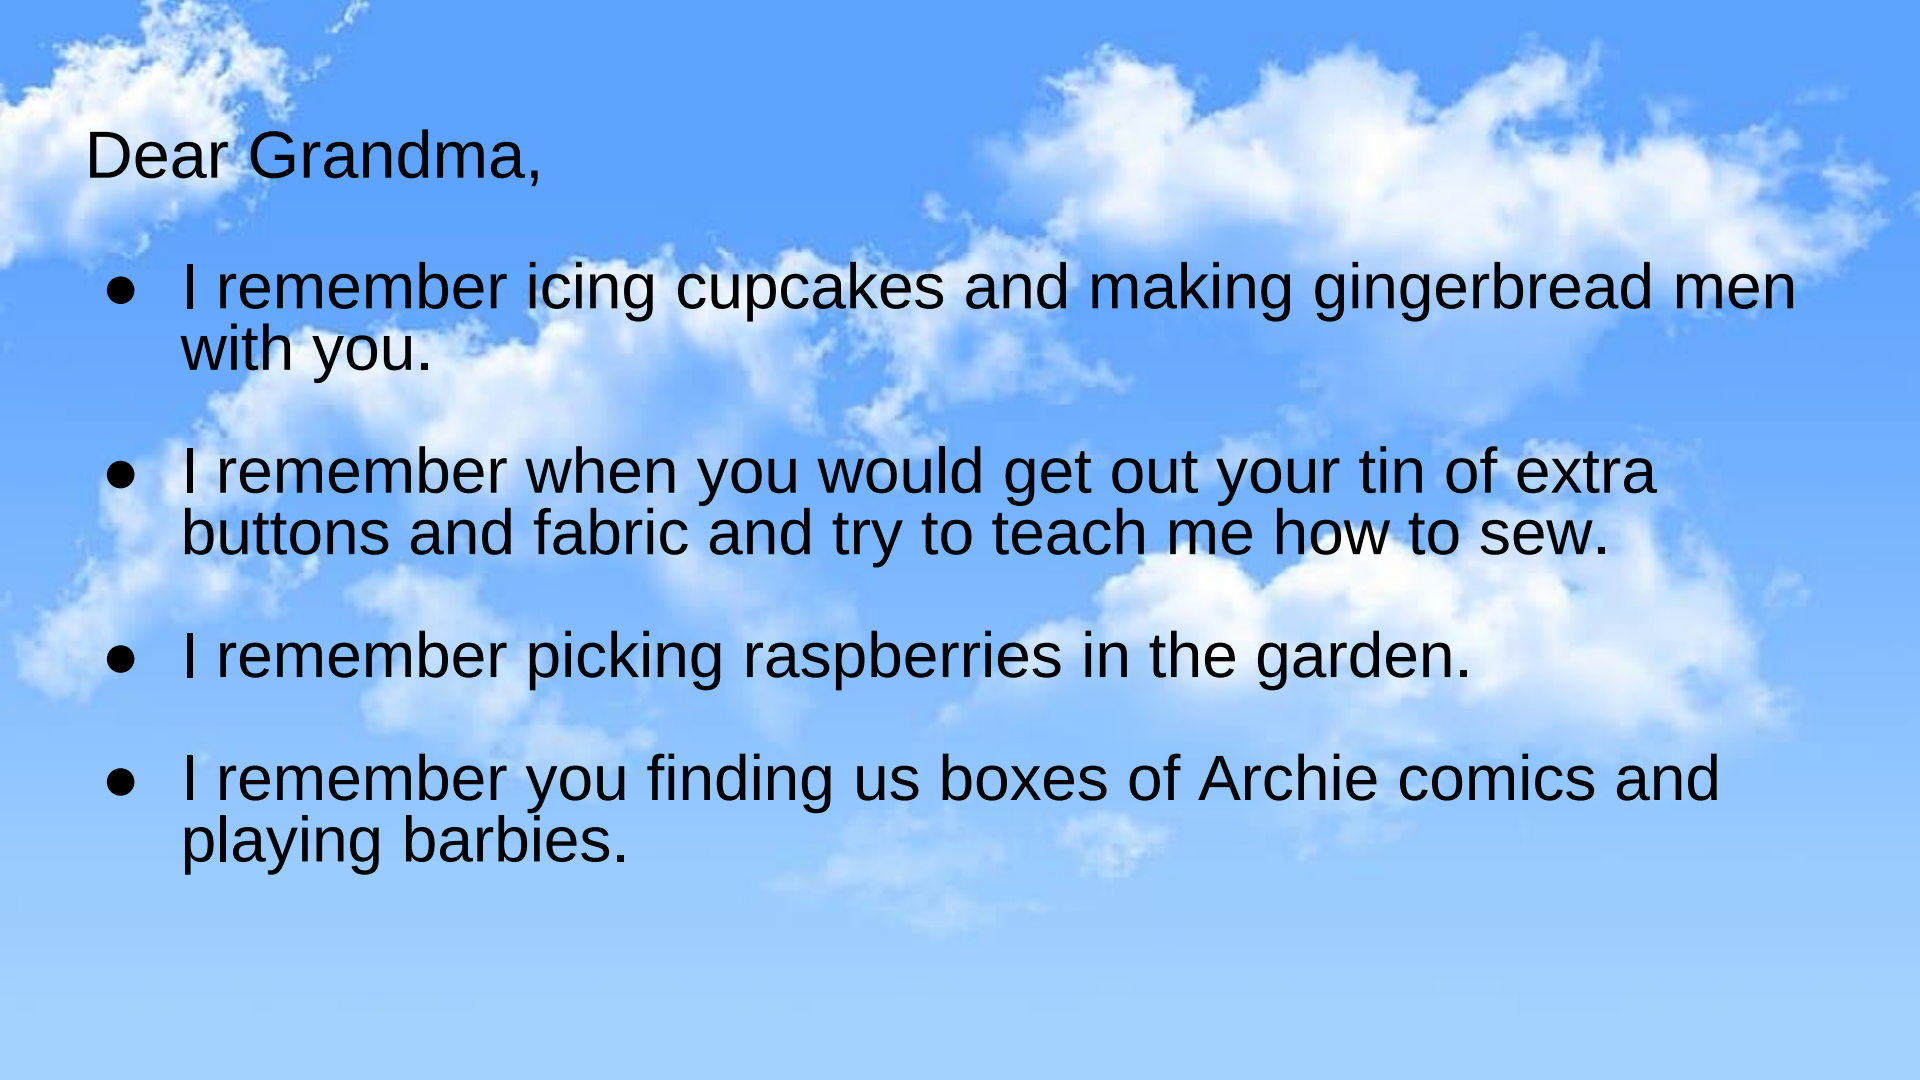

The background of the entire slide is a bright blue sky filled with soft, white, fluffy clouds. The clouds are scattered across the frame, with some appearing closer and more detailed, while others are further away and more ethereal. The overall tone is peaceful and uplifting.

Dear Grandma,

- In everything I've done, you have always supported me and let me know how proud you are.
- You are someone who has made a difference in the lives of others.
- You are the best grandma anyone could have.

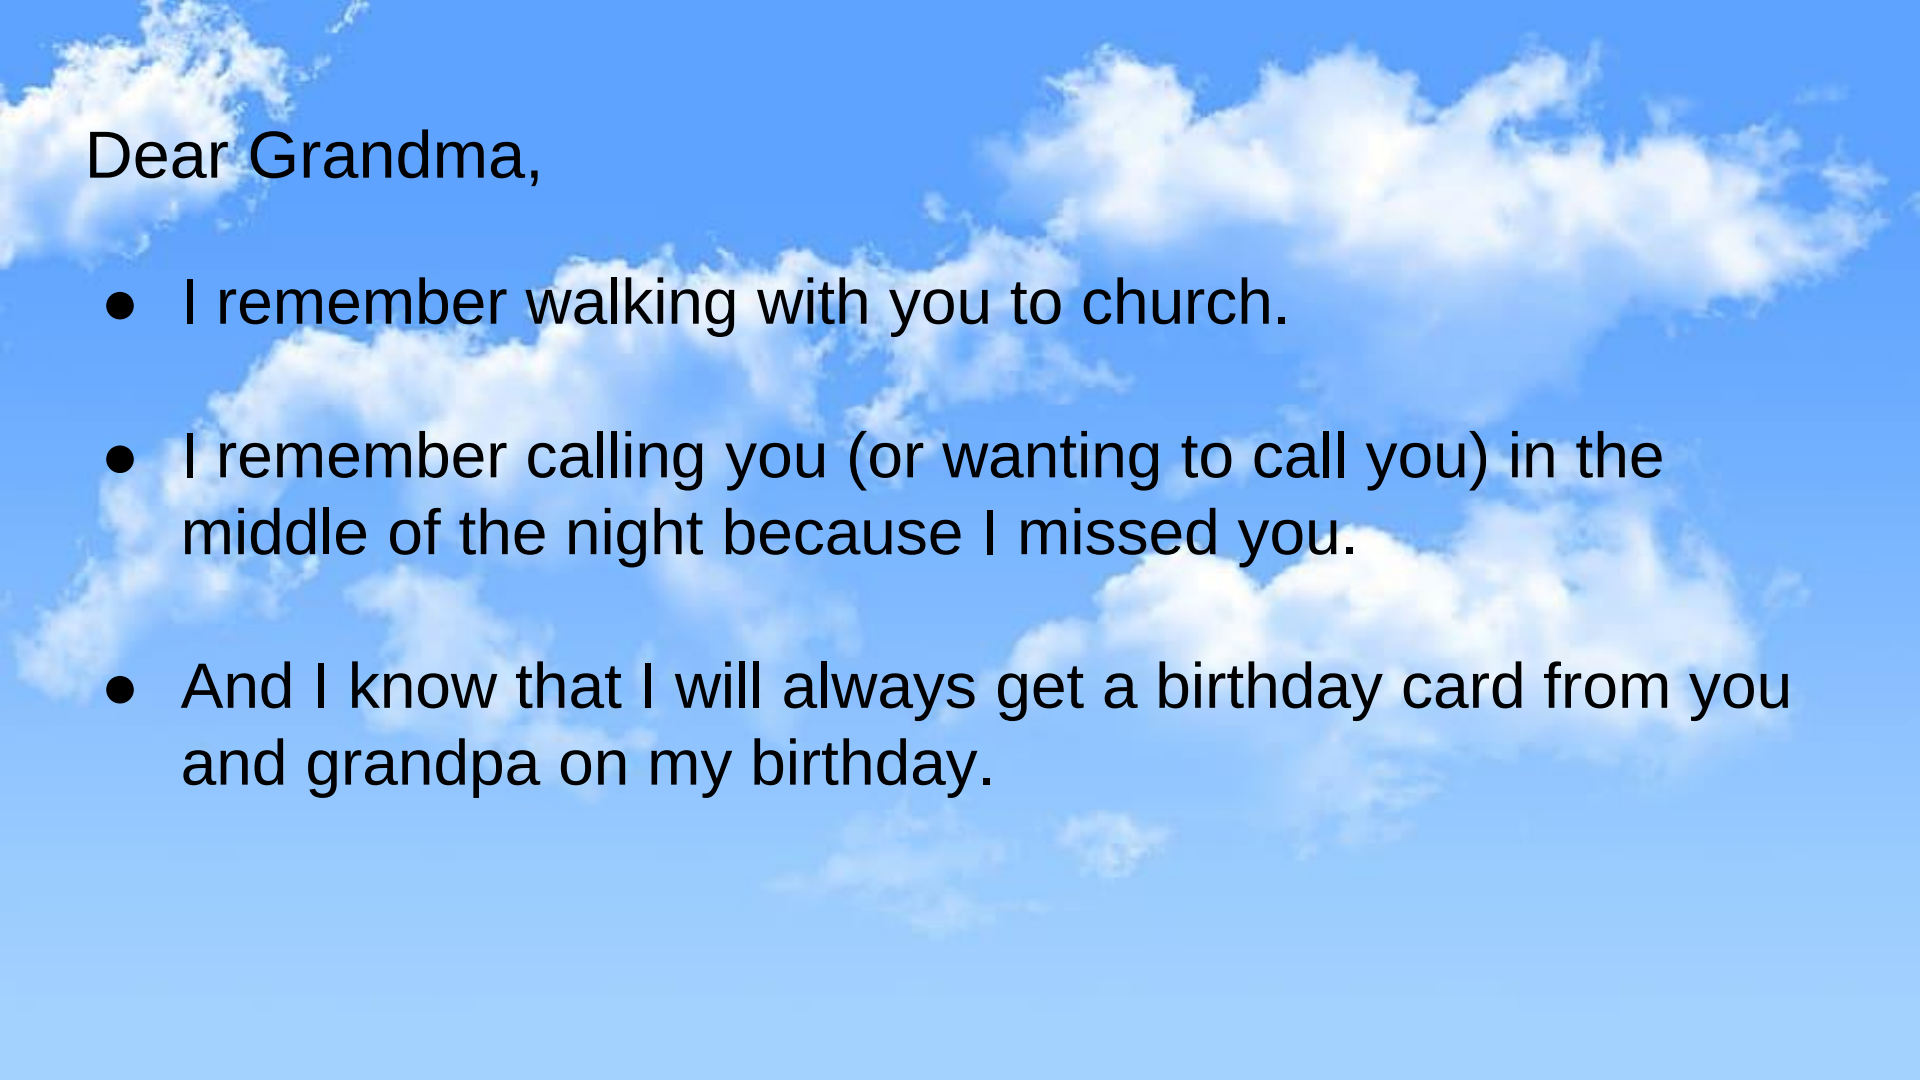

Dear Grandma,

- I miss going to the Owl Sanctuary with Grandma and looking at the burrowing owls with her
- I miss eating frozen cookies and milk in the kitchen
- I miss the warm cheese on the car rides from the airport to the house

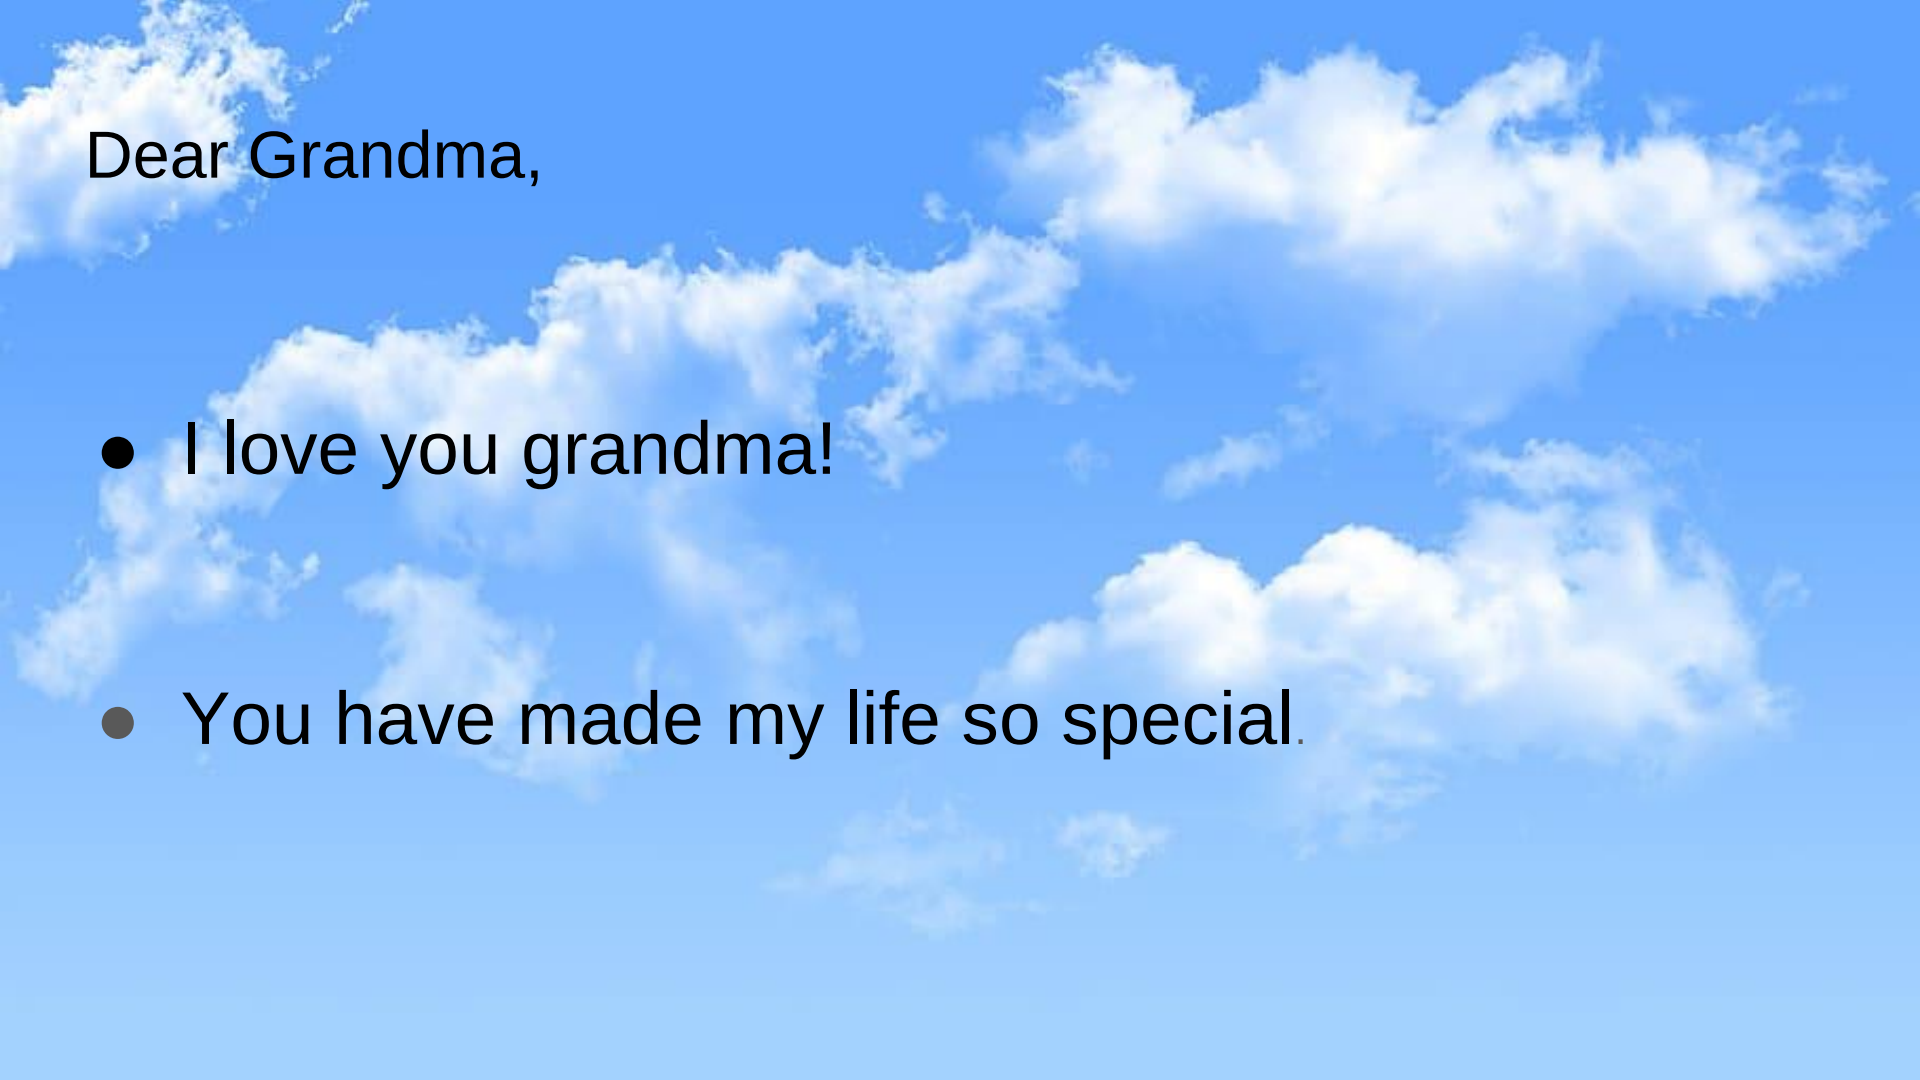

Dear Grandma,

- I remember icing cupcakes and making gingerbread men with you.
- I remember when you would get out your tin of extra buttons and fabric and try to teach me how to sew.
- I remember picking raspberries in the garden.
- I remember you finding us boxes of Archie comics and playing barbies.

Dear Grandma,

- I remember walking with you to church.
- I remember calling you (or wanting to call you) in the middle of the night because I missed you.
- And I know that I will always get a birthday card from you and grandpa on my birthday.

Dear Grandma,

- I love you grandma!
- You have made my life so special.

Dear Grandma,

- Throughout my life you have taught me the true meaning of kindness and compassion.
- You have inspired me to take an interest in the lives of the people around me. For these lessons I am grateful. But I am always grateful to have you for a grandma.

Dear Grandma,

- It's always so much fun going to visit you and grandpa in Moose Jaw.
- It was a blast going there in 2002, when it was just Andy, Paul, Tim, and I.

Dear Grandma,

- It was very neat to see the tourist attractions in Moose Jaw with you.
- It was nice when just you and I went to the Cranberry Rose for some tea. I love you to the end of the universe and back.

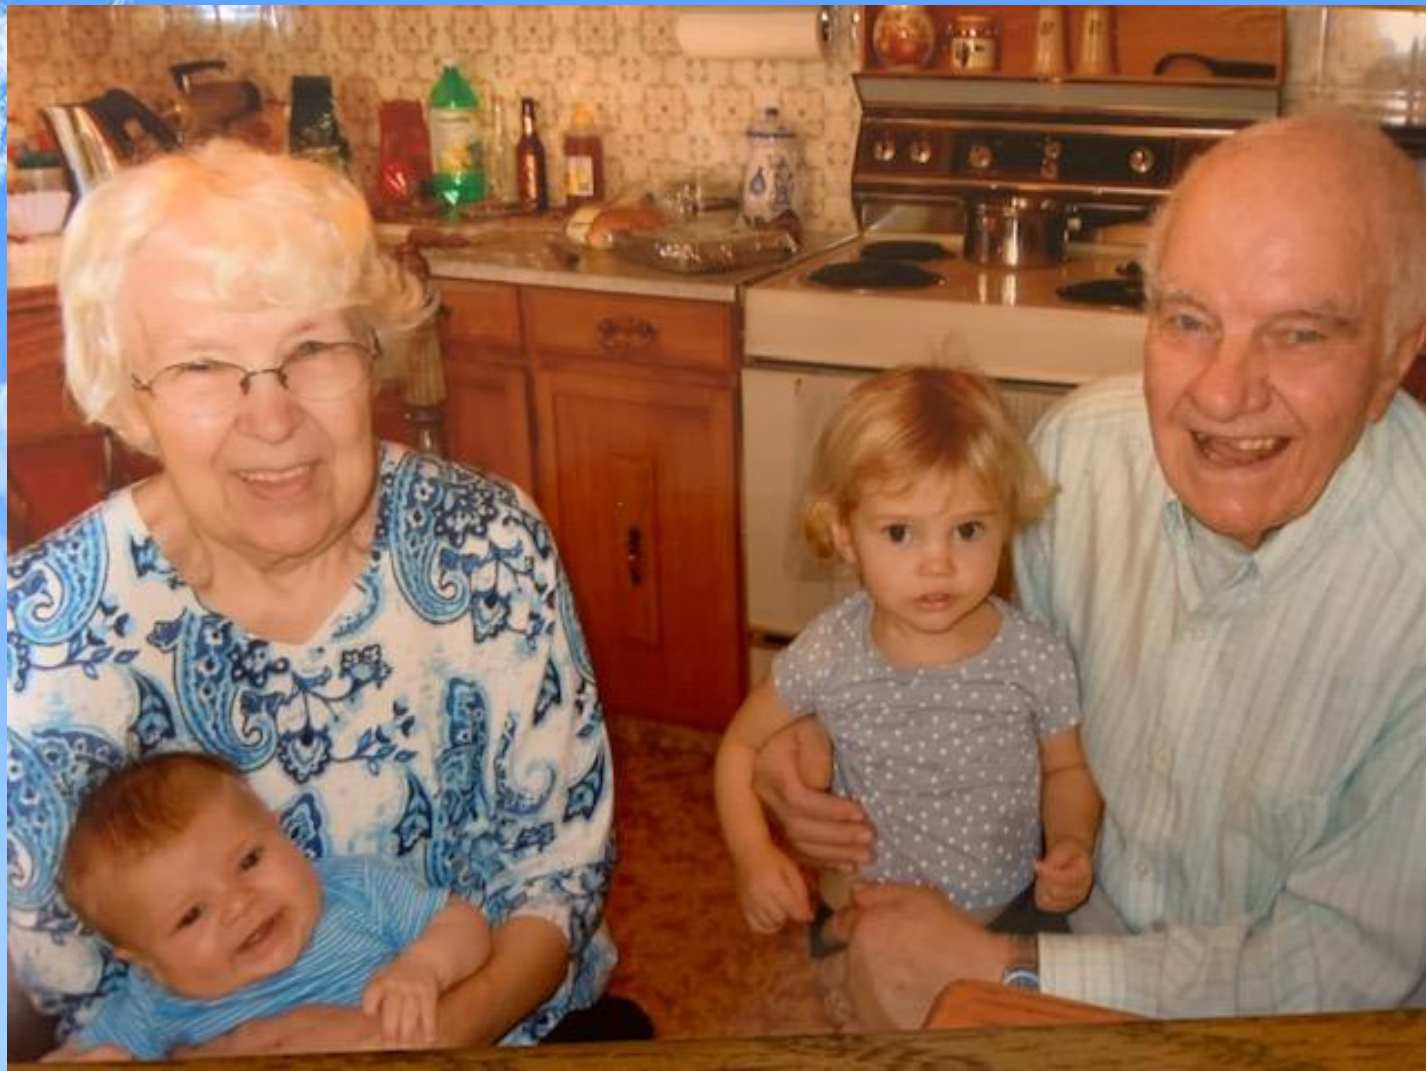

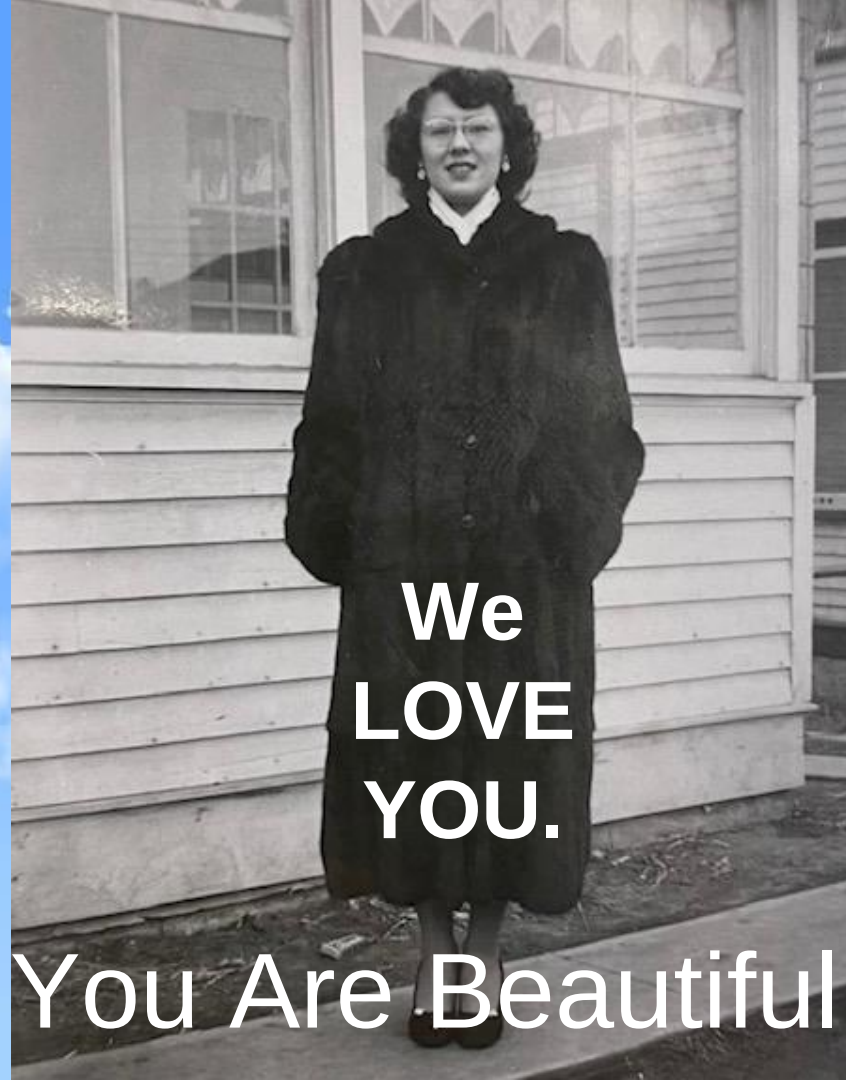

We
LOVE
YOU.

You Are Beautiful.
